U.S. BANKRUPTCY COURT
E.D. MICHIGAN-DETROIT

RE: " Claim No. 2024, Heckmann, Eric C., UNLIQUIDATED, Secured, 2/20/2014"

OBJECTION TO CITY'S PROPOSAL

I hereby object to the City's proposal to having the Court dismiss my claim which was timely filed and was for the refund of my overpayment of property taxes caused by the City's failure to properly and promptly record my property tax payment in its tax revenue system, thereby causing me to have to make a double payment in order to avoid the Wayne County Treasurer from assessing me extra penalties and interest on supposedly late/delinquent payments. The Wayne County Treasurer's Office in previous years penalized me when the City failed to record my property tax payments in a timely manner, and then improperly delayed the transmission of the Wayne County share of taxes to the Wayne County Treasurer's Office, thereby causing me to have to pay the Wayne County Treasurer an extra approximately \$100 in allegedly late payment penalties and interest in some past years.

I also object to the language contained in the City's request to the Court that ... " the relief requested in the Objection is in the best interests of the City, and its creditors; ..." as is stated on Page 13 of 25, COPY ENCLOSED. This statement is not only untrue, it is also completely asinine from a legal standpoint as it presumes that the Creditors have already agreed to the City's proposal to not honor the legitimate refunds due to the creditor(s). This statement by the City is tantamount to saying that the Plaintiffs, i.e. the City's creditors such as myself, and the City, i.e., the Defendant, are in agreement or have agreed that the Defendant's proposal is agreeable to the Creditors, i.e., me, etc.

I certainly do not, and will never, agree that the City should be able to keep money that it was not legally entitled to keep in the first place, regardless of its filing for bankruptcy. I have never agreed to make donations of my limited monies to the City for the City to keep and do whatever it wants to do with these funds such as giving raises to current employees at the direct expense of retirees and creditors. Had the City properly and timely recorded my payments at the time they were made, there would not even be any claim now for me to have made. And further, had the City Treasurer's Office processed my refund in a timely manner as was stated in their emails to me at the time indicating that my refund had been processed, there would never be a Claim still now in dispute.

As such, I am requesting hereby that the Court NOT APPROVE the City's proposal with respect to my claim for a property tax refund due to my actual overpayment which was originally caused by the City's own failure to have properly and timely recorded my payments and then transmitted the Wayne County share of the payments to the Wayne County Treasurer in a timely fashion, as the City repeatedly failed to do in prior years.

Lastly, as the Court document states that ... " You must attend the hearing on the objection scheduled to be held on April 13, 2016 unless your attendance is excused by mutual agreement between yourself and the objector's attorney", I hereby request that I be excused from attending the hearing due to medical reasons which prevent me from walking any distance greater than 100 feet. As I am all alone due to my wife's very recent death, I have no one that can drive me to Detroit for this hearing. Also, as a City retiree, I have already been sufficiently harmed and punished vis-à-vis the bankruptcy outcomes so as to not deserve the additional punishment requested by the City of not returning/refunding my property tax overpayment money that I was told by the City Treasurer's Office was in process of being refunded to me in an email long before the bankruptcy was ever even filed by the City.

Thank you very much for your consideration of my objections and my request for being excused from attending the scheduled April 13, 2016 hearing due to the reasons cited above.

Sincerely,

Eric C. Heckmann
